***With its dominating stance, best-in-class innovations, premium features, advanced safety, and reliability, MG MAJESTOR sets a new benchmark in the Indian premium SUV landscape***

**Halol, May 25, 2026:** JSW MG Motor India has announced the start-of-production of the MG MAJESTOR, India's First D+ segment SUV, at its manufacturing facility in Halol, Gujarat. The MG MAJESTOR is designed for customers who seek a lifestyle defined by bold presence, unyielding dominance and superior capability.

Engineered for demanding conditions, the MG MAJESTOR is equipped with an advanced 4WD system and segment-first triple differential locks, enabling superior traction and precise control across challenging terrains. Powered by a 2.0-litre twin-turbo diesel engine paired with an advanced drivetrain, the SUV delivers strong performance with controlled capability, ensuring confidence in real-world driving scenarios.

Driven by a customer-first philosophy, JSW MG Motor India offers the MG MAJESTOR with its Complete Peace of Mind programme, featuring a 5-5-5 ownership package comprising a 5-Year Unlimited Kilometre Warranty, 5-Year Roadside Assistance, and 5 Labour-Free Services\*.

**Commenting on the milestone, Biju Balendran, Deputy Managing Director, JSW MG Motor India, said,** *"The commencement of production of the MG MAJESTOR marks a significant step for us as we move closer to introducing a new benchmark in the premium SUV space. With the MAJESTOR, we are bringing together strong engineering, advanced capability and a commanding presence, aligned to the evolving expectations of customers. Built at our Halol facility with advanced processes and stringent quality systems, the MAJESTOR is engineered to deliver high standards of durability, performance and reliability. We are confident it will resonate strongly with customers looking for both capability and refinement in their next SUV."*

The Halol facility, known for its advanced manufacturing capabilities and stringent quality systems, continues to play a pivotal role in delivering world-class manufacturing standards. Equipped with precision engineering processes and robust quality control mechanisms, the plant ensures that every MG MAJESTOR is built to deliver high levels of durability, performance and reliability across demanding conditions.

Built on true SUV fundamentals, the MG MAJESTOR stands as MG's most rugged and premium offering, designed to deliver commanding road presence along with exceptional real-world capability. With its strong proportions and bold design language, the SUV reflects a confident, upright stance while maintaining a refined and premium aesthetic suited for both urban environments and demanding

terrains. Safety and intelligent technology remain integral to the MG MAJESTOR, with the SUV equipped with advanced driver assistance systems designed to enhance confidence, control and overall driving experience across diverse conditions.

Customers can pre-reserve the MG MAJESTOR at INR 41,000 on [www.mgmotor.co.in](http://www.mgmotor.co.in), with early customers set to benefit from priority deliveries, exclusive previews and curated experiential drives.

*Ground Clearance 4x2\*  
T&C Apply\*\**

Ltd. is committed to introducing world-class technology, strengthening the manufacturing landscape, bringing the best of innovation across its business operations, and generating significant employment opportunities through extensive localisation.

#### **About Morris Garages**

Founded in the UK in 1924, Morris Garages vehicles were world-famous for their sports cars, roadsters, and cabriolet series. MG vehicles were much sought after by celebrities, including British Prime Ministers and even the British Royal Family, for their styling, elegance, and spirited performance. The MG Car Club, set up in 1930 at Abingdon in the UK, has thousands of loyal fans, making it one of the world's largest clubs for a car brand. MG has evolved into a modern, futuristic, and innovative brand over the last 100 years. Its state-of-the-art manufacturing facility in Halol, Gujarat, has an annual production capacity of 1,00,000 plus vehicles and 6,000 direct and indirect employees. Driven by its vision of CASE (Connected, Autonomous, Shared, and Electric) mobility, the innovative automaker has augmented across-the-board 'experiences' within the automobile segment today. It has introduced several 'firsts' in India, including India's first Internet SUV – MG Hector, India's first Pure Electric Internet SUV – MG ZS EV, India's first Autonomous (Level 1) Premium SUV – MG Gloster, the Astor-India's first SUV with personal AI assistant and Autonomous (Level 2) technology, MG Comet – The Street-Smart Car and India's first Intelligent CUV, MG Windsor.
