JSW MG Motor India registers 19% YoY growth in September 2026; records wholesales of 8,018 units

MG Hector Tomahawk EV customer deliveries commence across India

GURUGRAM, October 1, 2026: JSW MG Motor India registered 19% year-on-year (Y-o-Y) growth in September 2026 compared to the corresponding month last year, reporting 8,018 units in wholesales. The strong performance reflects sustained consumer interest in the company's product portfolio, including the recently launched MG Hector Tomahawk EV and PHEV.

The company has also commenced dispatches of the **MG Hector Tomahawk EV** to dealerships across India, with customer deliveries now underway.

About JSW MG Motor India

JSW MG Motor India, a joint venture between JSW Group and SAIC Motor, combines JSW's deep understanding of the Indian market with SAIC's global automotive expertise. The company is focused on sustainable mobility, advanced technology, localisation, and customer experience, while expanding its product portfolio and manufacturing capabilities with a robust local supply chain.

With a long-term commitment to India, JSW MG Motor India is building a sustainable mobility ecosystem, introducing globally best-available technologies and environmentally responsible solutions for Indian consumers, while supporting the nation's transition to cleaner transportation. The company has also emerged as India's leading EV manufacturer, having sold over 1,50,000 electric vehicles since its first launch, with the MG Windsor as the country's No.1 selling EV.
