JSW MG Motor India sells 6578* units in August 2025 Records 52% Y-o-Y growth over August 2024

- In August 2025, the company achieved its highest monthly delivery of units to customers this year.
- Windsor recorded its highest-ever monthly sales in August 2025, with a 5% growth over the previous month
- Comet achieved its best wholesale performance of 2025 in August, registering a 21% growth over the previous month

Gurugram, September 1, 2025: JSW MG Motor India reported monthly sales of 6,578* units in August 2025, reflecting a year-on-year (YoY) growth of 52% compared to the 4,323 units sold in August 2024. The recently commenced festive season boosted sales across MG's car lineup. Both ICE and EV models contributed to the company achieving its highest deliveries of the year. India's best-selling EV, the MG Windsor, once again recorded its highest-ever monthly sales, marking a 5% growth over the previous month. The company also witnessed robust demand for India's street-smart car, the MG Comet, which registered an impressive 21% growth over July 2025—highlighting growing customer affinity.

JSW MG Motor India is actively working to enhance accessibility for customers and bring the brand closer to them. The company inaugurated three new dealerships last month, expanding its presence to cover over 90% of India's geographical footprint. It now operates a robust network of more than 543 sales and aftersales touchpoints across 270 cities. Furthermore, the company has strategically set up service centres within a 15-kilometre radius, enabling customer assistance within just 30 minutes in most regions of India. This infrastructure reinforces JSW MG Motor India's customer-first philosophy and its commitment to delivering a superior ownership experience.

About Morris Garages

Founded in the UK in 1924, Morris Garages vehicles were world-famous for their sports cars, roadsters, and cabriolet series. MG vehicles were much sought after by celebrities, including British Prime Ministers and even the British Royal Family, for their styling, elegance, and spirited performance. The MG Car Club, set up in 1930 at Abingdon in the UK, has thousands of loyal fans, making it one of the world's largest clubs for a car brand. MG has evolved into a modern, futuristic, and innovative brand over the last 100 years. Its state-of-the-art manufacturing facility in Halol, Gujarat, has an annual production capacity of 1,00,000 plus vehicles and 6,000 direct and indirect employees. Driven by its vision of CASE (Connected, Autonomous, Shared, and Electric) mobility, the innovative automaker has augmented across-the-board 'experiences' within the automobile segment today. It has introduced several 'firsts' in India, including India's first Internet SUV – MG Hector, India's first Pure Electric Internet SUV – MG
