MG Windsor PRO Will Come Equipped with Vehicle to Load and Vehicle to Vehicle feature

Gurugram, May 3, 2025 – JSW MG Motor India has recently announced the arrival of the MG Windsor PRO, which will get a suite of PRO tech features, enhancing the overall experience. In a newly released video, the carmaker has teased the Vehicle-to-Load feature.

The MG Windsor PRO will be equipped with Vehicle-to-Load (V2L) and Vehicle-to-Vehicle (V2V) technologies. The V2L features allow users to power external devices directly from the car, making it ideal for outdoor enthusiasts and professionals alike. While the V2V technology enables energy sharing capabilities between compatible EVs – underscoring MG's commitment to sustainable innovation.

The MG Windsor, India's best-selling EV since its launch, combines the expanse of a sedan with the versatility of an SUV, making it a premium offering for discerning consumers who seek both value and class. This Intelligent CUV has disrupted the EV segment and has emerged as a modern marvel in the automotive industry, capturing the essence of comfort, style, and technology.

About JSW MG Motor India

SAIC Motor, a global Fortune 500 company with a presence in over 100 countries and JSW Group (India's leading conglomerate with interests across B2B and B2C sectors), formed a joint venture - JSW MG Motor India Pvt. Ltd. in 2023. The joint venture aims to build a smart and sustainable automotive ecosystem while staying focused on developing a diverse portfolio of vehicles to give car buyers better access to advanced technologies and futuristic products with attractive value propositions. JSW MG Motor India Pvt. Ltd. is committed to introducing world-class technology, strengthening the manufacturing landscape, bringing the best of innovation across its business operations, and generating significant employment opportunities through extensive localisation.

About Morris Garages

Founded in the UK in 1924, Morris Garages vehicles were world-famous for their sports cars, roadsters, and cabriolet series. MG vehicles were much sought after by celebrities, including British Prime Ministers and even the British Royal Family, for their styling, elegance, and spirited performance. The MG Car Club, set up in 1930 at Abingdon in the UK, has thousands of loyal fans, making it one of the world's largest clubs for a car brand. MG has evolved into a modern, futuristic, and innovative brand over the last 100 years. Its state-of-the-art manufacturing facility in Halol, Gujarat, has an annual production capacity of 1,00,000 plus vehicles and 6,000 direct and indirect employees. Driven by its vision of CASE (Connected, Autonomous, Shared, and Electric) mobility, the innovative automaker has augmented across-the-board 'experiences' within the automobile segment today. It has introduced several 'firsts' in India, including India's first Internet SUV – MG Hector, India's first Pure Electric Internet SUV – MG ZS EV, India's first Autonomous (Level 1) Premium SUV – MG Gloster, the Astor-India's first SUV with personal AI assistant and Autonomous (Level 2) technology, MG Comet – The Street-Smart Car and India's first Intelligent CUV, MG Windsor.
