JSW MG Motor India sells 6728* units in September 2025 Records 34% Y-o-Y growth over September 2024 with its highest wholesale in CY2025

- Windsor's robust performance continues; achieves its highest-ever wholesale since its launch
- MG Comet, The Street Smart Car, records best-ever sales* for CY25
- MG SELECT becomes the second largest brand in the Luxury EV segment**
- The company witnessed a great momentum for its ICE and EV models due to accelerated festive demand and GST reduction

Gurugram, October 1, 2025: JSW MG Motor India reported monthly sales of 6728* units in September 2025, reflecting a year-on-year (YoY) growth of 34% compared to the 5021 units sold in September 2024. The company's growth was supported by the recent GST reduction and the onset of the Navratri festive season, both of which boosted customer sentiment and provided strong sales momentum. Both ICE and EV models of JSW MG Motor India contributed to this remarkable achievement.

The recent GST reduction has delivered significant benefits to customers, ranging from INR 54,000 to INR 3,50,000 across MG's ICE vehicle lineup including the Astor, Hector, and Gloster.

JSW MG Motor India has also become the second largest brand in the Luxury EV segment through its luxury retail channel MG SELECT (source VAHAN). This achievement is driven by flagship offerings including the MG Cyberster—the world's fastest MG—and the MG M9 Presidential Limousine.
