Built to perform and demonstrate advanced 4x4 capabilities, MG MAJESTOR sets a new benchmark with best-in-class innovations, premium features, advanced safety, and durability

Customers can now prebook this most capable and premium SUV - MG MAJESTOR at INR 41,000/-

Gurgaon, February 12, 2026: JSW MG Motor India today showcased the MG MAJESTOR, its all-new offering as India's First D+ SUV crafted for customers who seek a lifestyle defined by bold presence, unyielding dominance, superior capability, rock-solid reliability, and unmatched refinement. After breaking cover at the Bharat Mobility Global Expo 2025, the MAJESTOR now claims center stage as MG's most rugged, durable, and premium SUV tailored for the Indian roads and beyond. Built for peak performance and to deliver commanding road presence and all-terrain performance, premium comfort, and advanced safety, the MAJESTOR showcases cutting-edge 4x4 prowess raising the bar with segment-leading innovations, luxury features, top-tier safety, and enduring build quality. Starting today the MAJESTOR is available for pre-booking while full range pricing and market availability will be announced closer to launch.

Commenting on the occasion, Anurag Mehrotra, Managing Director, JSW MG Motor India, said, "India's premium SUV customer is evolving rapidly, looking not just for space, but for a vehicle that projects stature, inspires confidence, and integrates seamlessly into a more ambitious lifestyle. With MG MAJESTOR, we have created an SUV that is rugged in its capability, refined in its comfort, and dependable in its engineering. MAJESTOR for us

represents our vision of what a true, full-size SUV should stand for, which is a commanding presence, sophisticated premium craftsmanship, intelligent in technology, and uncompromising in performance.”

Robust Exterior:

Resting on a massive 2950 mm wheelbase, the MAJESTOR asserts dominance at the longest (5046mm), widest (2016mm), and tallest (1870mm) - unmatched in class. Its Mosaic Matrix Combination Grille, Dragon Eyes DRLs, split headlamps, connected LED tail lamps with sequential turn signals, raised hood line, and 19-inch alloy wheels amplify a bold, upright, rugged profile. Yet, it maintains a sophisticated, premium aesthetic that turns heads on city streets or highways

Premium Interior:

Step inside for an expansive haven in black theme with plush leather and sleek center console. Driver and co-driver seats are ventilated, offer massage function, memorize positions, and can be adjusted in multiple ways (12-way driver, 8-way passenger). A panoramic sunroof floods light, while 64-color ambient lighting sets the mood. Three-zone AC ensures personalized comfort.

Flexible in 6- or 7-seater configs, it suits families or adventurers. Dual 12.3-inch displays (instrument cluster and infotainment) support wireless Android Auto/Apple CarPlay. Immersive 12-speaker JBL sound, dual wireless chargers, 220V outlet, and 75+ iSMART connected features underline a tech-forward, luxurious drive every time.

Off-Road Mastery

At the heart of the MAJESTOR lies true SUV engineering, powered by a 2.0-litre twin-turbo diesel engine that churns best-in-segment power@215.5 PS and 478.5 Nm torque mated to best-in-class 8-speed AT (Automatic Transmission) in both 2WD and advanced 4WD. The Advanced 4WD system with 10 off-road modes balances worlds - on-road ease, off-road might.

In Auto Mode, the vehicle intelligently operates in 2WD during regular driving conditions and automatically switches to 4WD the moment it detects loss of traction. This ensures better fuel efficiency during daily use while delivering enhanced off-road capability exactly when required. This intelligent mode is particularly effective in conditions such as rain, snow, and slippery surfaces which require higher speeds.

Further strengthening its rugged credentials, the MAJESTOR becomes the first in the segment to offer front, rear, and centre differential locks, enabling it to pull itself out of extreme situations even when one or more wheels lose traction or lift off the ground. Supported by Crawl Control Mode, 219 mm ground clearance, and an 810 mm water wading

capability. The MAJESTOR is engineered for durability and reliability across the toughest terrains.

Top-tier Safety:

Safety remains a core pillar of the MG MAJESTOR. The SUV is equipped with Level 2 ADAS, providing assisted steering, braking, and acceleration for enhanced driver confidence across conditions. Apart from this it is also equipped with a host of safety features like 360 Degree HD Camera, Electronic Stability Programme (ESP), integrating Anti-lock Braking System (ABS), Electronic Brakeforce Distribution (EBD), Traction Control System (TCS), and Roll Movement Intervention (RMI).

The MG MAJESTOR will be offered in Sharp and Savvy variants across 2WD and 4WD drivetrains, in Pearl White, Concrete Grey, Metal Black, and Metal Ash. With the MAJESTOR, JSW MG Motor India brings together rugged capability, uber premiumness, intelligent technology, and long-term reliability in one cohesive SUV, setting a new benchmark for large premium SUVs in India. Pricing, bookings, and market availability will be announced closer to launch.

Complete Peace-of-mind:

As part of MG's Complete Peace of Mind Program, MAJESTOR comes with an industry-leading 5-5-5 offering comprising 5 Year Unlimited KM Warranty, 5 Year Road-side Assistance, and 5 Labour-Free Services. Additionally, through a strategic partnership with ICICI Bank, customers will receive an exclusive invite for the ICICI Emerald Credit Card at zero joining fee*. Early customers will also benefit from Priority Deliveries, access to Exclusive Previews across select cities in March 2026, and Invite-only Experiential Drives curated specially for MAJESTOR owners.

Pre-reservations open on 12th Feb 2026 at www.mgmotor.co.in with an amount of Rs. 41,000. Price announcement, Showroom Display & Test drive shall commence in April 2026 and car deliveries shall begin in May 2026.

**T&C Apply*

***Ground Clearance 4x2*

About JSW MG Motor India

SAIC Motor, a global Fortune 500 company with a presence in over 100 countries and JSW Group (India's leading conglomerate with interests across B2B and B2C sectors) formed a joint venture - JSW MG Motor India Pvt. Ltd. in 2023. JSW MG Motor India Pvt. Ltd. is committed to introducing world-class technology, strengthening the manufacturing landscape, bringing the best of innovation across its business operations, and generating significant employment opportunities through extensive localisation.

About Morris Garages

Founded in the UK in 1924, Morris Garages vehicles were world-famous for their sports cars, roadsters, and cabriolet series. MG vehicles were much sought after by celebrities, including British Prime Ministers and even the British Royal Family, for their styling, elegance, and spirited performance. The MG Car Club, set up in 1930 at Abingdon in the UK, has thousands of loyal fans, making it one of the world's largest clubs for a car brand. MG has evolved into a modern, futuristic, and innovative brand over the last 100 years. Its state-of-the-art manufacturing facility in Halol, Gujarat, has an annual production capacity

of 1,00,000 plus vehicles and 6,000 direct and indirect employees. Driven by its vision of CASE (Connected, Autonomous, Shared, and Electric) mobility, the innovative automaker has augmented across-the-board 'experiences' within the automobile segment today. It has introduced several 'firsts' in India, including India's first Internet SUV - MG Hector, India's first Pure Electric Internet SUV - MG ZS EV, India's first Autonomous (Level 1) Premium SUV - MG Gloster, the Astor- India's first SUV with personal AI assistant and Autonomous (Level 2) technology, MG Comet - The Street-Smart Car and India's first Intelligent CUV, MG Windsor.
