**Gurugram, March 05, 2026:** JSW MG Motor India today announced that its innovative e-Hub by MG app has become India's largest unified EV charging app, with more than 22,500 charging points listed on the platform. In addition, the carmaker also informed that the e-Hub by MG app now hosts 40 leading charge point operators (CPOs), including Jio-bp, TATA Power Adani, Shell, Zeon, Charge Zone, BPCL, etc., making it a one-stop destination for all charging needs.

The e-Hub by MG app has achieved another milestone by exceeding the 150,000-download mark. Additionally, the carmaker has introduced new features in the app, such as Apple Car play and Android Auto support, Charger Review and Ratings, Smart Trip Planner, Nearby Amenities, making the app even more user-friendly and intuitive.

Speaking on the occasion, **Vinay Raina, Chief Commercial Officer, JSW MG Motor India**, said, *"It is inspiring to witness the rapidly growing community of EV users, both MG and non-MG customers, embrace the e-Hub by MG app. What excites us the most is how effortlessly it is helping customers navigate their EV journeys, whether planning their long road trips or simply looking for the nearest available charger. By bringing the leading CPOs together on one intuitive platform, e-Hub by MG empowers users with choice, convenience and confidence. As India moves towards a more connected and electrified future, we remain committed to building experiences that make EV ownership effortless."*

By enabling seamless location, reservation, and payment for EV charging sessions on a single platform, the e-Hub by MG app helps all EV users (MG and non-MG EV customers) plan trips more effectively, making their EV experience convenient. Since its launch, the app has facilitated the dispensing of over 1.5 GWh of energy, supported more than 670,000 green trips, and enabled the planning of over 300 Mn green kilometres, making it a vital enabler of sustainable and hassle-free EV travel.
